

MUST-HAVES

1. Wet Bags (2): One large for storing soiled diapers, one small for use in public toilets. You can repurpose a zippered plastic bag
2. Extra Diapers:
 - Flats: Ideal for longer stays as they wash and dry quickly.
 - Pocket Diapers: Pre-stuffed with liners or flats for easy changes ,cleanup and quicker drying
 - Disposable or reusable liners: For easier poop cleanups.
3. Washing Supplies for longer stay(cations):
 - A small amount of your preferred detergent.
 - A brush or plunger for manual washing (optional).

NICE-TO-HAVES

1. Changing mat
2. Wool covers (require less frequent washing)
3. Portable potty (for EC families) : If you are practicing EC – it will reduce number of cloth diapers you have to handle or wash.
4. Portable jet spray or sauce bottle (especially helpful in paper-only toilets abroad)
5. Diaper liners
6. Rope or clothesline for drying
